### 1 Hanguren Panorama

Start/Start: Hangurstoppen  
Mål/Finish: Hangurstoppen | Lengde/Distance: 1,0 km  
Stigning / Total ascent: 10 m  
Moh. / MASL: 818

Rundløyna er ein universelt tilrettelagt grussti som passar for alle – enten du går med barnevogn, rullestol eller berre vil ha ein lett tur. Langs løyna får du nydeleg panoramsikte over Vossabygda og fjella rundt. Eit høgdepunkt på turen er Hangurshusko – ei stor hengande huske som har blitt eit populært fotopunkt. Her kan du ta ein pust i bakkene og nyte utsikta, eller knipse det perfekte bildet – uansett vêr og årstid.

The Circular Trail is a universally accessible gravel path, suitable for everyone – whether you're walking, pushing a stroller, or using a wheelchair. Along the way, you'll enjoy panoramic views of Voss valley and the surrounding mountains. One of the highlights is Hangurshusko – a large hanging swing that has become a popular photo spot. It's the perfect place to relax and take in the view, or snap that perfect picture, in any season and all kinds of weather.

### 2 Grebbeløyna

Start/Start: Hangurstoppen  
Mål/Finish: Hangurstoppen | Lengde/Distance: 3,2 km  
Stigning / Total ascent: 100 m  
Moh. / MASL: 818

Grebbleyna er ei rundløyna som går på sti gjennom lett terrem, og er godt skilta heile vegen. Turen passar godt for familiær og eldre born som likar å gå på sti i variert natur. Tidsbruk: ca. 1,5 time.

Grebbleyna is a circular trail that follows well-marked paths through gentle terrain. It's ideal for families and older children who enjoy hiking in varied nature. Estimated time: approx. 1.5 hours.

Estimated time: approx. 1.5 hours.

### 3 Røde Kors hytta

Start/Start: Hangurstoppen  
Mål/Finish: Hangurstoppen | Lengde/Distance: 3,3 km  
Stigning / Total ascent: 104 m  
Moh. / MASL: 750

Røde Kors-hytta er eit populært turmål som nåast via sti eller grusveg frå både Bavallen og Hangurstoppen. Hytta ligg ved Valbergstjørni, eit idyllisk tjern med moglegheit for bading.

Røde Kors Cabin is a popular hiking destination, accessible via trail or gravel road from both Bavallen and Hangurstoppen. It's located near Valbergstjørni, a scenic tarn perfect for swimming.

### 4 Skutsgardstjørni

Start/Start: Hangurstoppen  
Mål/Finish: Hangurstoppen | Lengde/Distance: 4,5 km  
Stigning / Total ascent: 169 m  
Moh. / MASL: 696

Start ved Hangurstoppen og følg skilting til Røde Kors-hytta og Valbergstjørni. Turen går vidare i lett nedoverbakke til Skutsgardstjørni, med flott utsikt over Voss. Deretter følger du stien mot alpinbakken og går roleg oppover tilbake til utgangspunktet.

Start at Hangurstoppen and follow signs to Røde Kors Cabin and Valbergstjørni. The trail continues gently down to Skutsgardstjørni, with beautiful views of Voss. From there, follow the path to the ski slope and walk gradually uphill back to the starting point.

### 5 Hangurstoppen – Heggjavad – Voss sentrum

Start/Start: Hangurstoppen  
Mål/Finish: Voss sentrum | Lengde/Distance: 8,5 km  
Nedstigning / Total descent: 840 m  
Moh. / MASL: 818

Fra Hangurstoppen følger du T-merka sti gjennom lett kupert terrem forbi Røde Kors-hytta og Kiseldur til Raugstad. Vidare går du til Heggjavad, der du kan velje mellom sti via Mølster/Voss Folkemuseum eller grusveg/asfalt til Voss sentrum. Tidsbruk: ca. 2,5–3 timer.

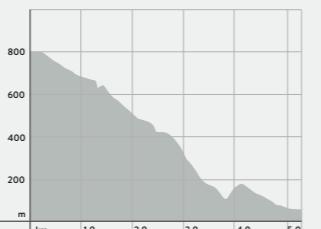

From Hangurstoppen, follow the red T-marked trail through gently rolling terrain past Røde Kors Cabin and Kiseldur to Raugstad. At Heggjavad, you can choose between a trail via Mølster/Voss Folkemuseum or a gravel/asphalt road to Voss town centre. Estimated time: approx. 2.5–3 hours.

### 6 Hangurstoppen – Hangurslia – Voss sentrum

Start/Start: Hangurstoppen  
Mål/Finish: Voss sentrum | Lengde/Distance: 5,4 km  
Nedstigning / Total descent: 755 m  
Moh. / MASL: 818

Fra Hangurstoppen følger du stien mot Grebbeløyna og vidare etter skilt mot Voss. Ruta går under gondoltraseen via gamle Hangursrestaurante, der det er ein bratt nedstiging gjennom Hangurslia til Mølster/Voss Folkemuseum, og vidare på grus og asfalt til sentrum. Tidsbruk: ca. 1,5–2 timer.

From Hangurstoppen, follow the trail towards Grebbestien, then signs to Voss. The route passes under the gondola line and includes a steep descent from the old Hangur Restaurant down Hangurslia to Mølster/Voss Folk Museum, continuing on gravel and paved roads to the town centre. Estimated time: approx. 1.5–2 hours.

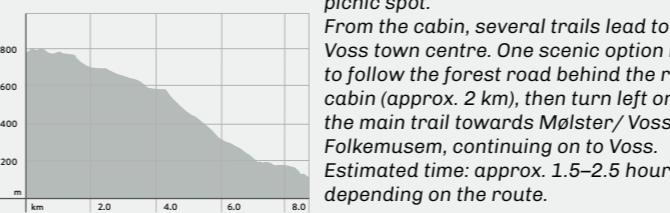

### 7 Hangurstoppen - Dagsturhytta - Voss sentrum

Start/Start: Hangurstoppen  
Mål/Finish: Voss stasjon / Voss Gondol | Lengde ca./Approx. distance: 9 km  
Nedstigning / Descent: 766 m  
Moh. / MASL: start: 818 stop: 52

Fra Hangurstoppen, følg skilt mot Dagsturhytta via Grebbeløyna. I stikrysset Gråurdalen, ta til venstre og følg vidare skilting til hytta (ca. 2 km). Her er det flott utsikt og ein fin nisteplass.

Fra hytta kan du gå fleire ruter til Voss sentrum. Eit godt alternativ er å følge skogsvegen bak den raude hytta ca. 2 km, så ta til venstre ned hovudstien mot Mølster/Voss Folkemuseum, og vidare til sentrum. Tidsbruk totalt: ca. 1,5–2,5 timar (avhengig av rutevalg).

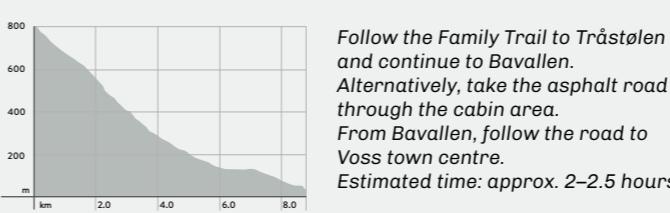

From Hangurstoppen, follow the red T-marked trail and signs towards Lønahorgi. The trail passes the Røde Kors Cabin, then turn left and head uphill towards Slettafjelltoppen (see map). You can return the same way, or descend via the ski trail to the bottom of the lift and follow the gravel road back up to Hangurstoppen. Estimated time: approx. 2 hours.

### 8 Hangurstoppen – Tråstølen – Voss sentrum

Start/Start: Hangurstoppen  
Mål/Finish: Voss sentrum | Lengde/Distance: 9 km  
Nedstigning / Total descent: 764 m  
Moh. / MASL: 818

Følg Familieløyna til Tråstølen og vidare til Bavallen. Du kan også gå asfaltvegen gjennom hyttefeltet ned til Bavallen. Fortsett deretter på veg/asfalt vidare til Voss sentrum. Tidsbruk: ca. 2–2,5 timar.

Follow the Family Trail to Tråstølen and continue to Bavallen. Alternatively, take the asphalt road through the cabin area. From Bavallen, follow the road to Voss town centre. Estimated time: approx. 2–2.5 hours.

From Hangurstoppen, follow the red T-marked trail and signs towards Lønahorgi. The trail runs through gently rolling terrain. At the junction at Vådalseggi, turn right and follow the road to Kvilehytta. For an easier option, take the gravel road from Hangurstoppen down the Family Trail to Slettafjellet, then follow the service road past Nyestølen, through Horgaletten, and onward to Kvilehytta. Estimated time: approx. 3–4 hours.
